Hello Heath,

We cannot begin to explain how happy we are with our new Heath Kelly Construction Custom built home. We are so appreciative for all the hard work you put into it and patience calming my anxiety! Any concern we had was met with your reassurance that you had it covered. You were always there to answer our calls and kept us informed and explained the process. I feel like we have been on an incredible journey together and are able to now look back and see the finished product and it is truly impressive! Thank you for our beautiful new home, we are very proud of it!

Sincerely,

The Browns
