RE: Letter of Recommendation and Appreciation

Dear Sir or Madam:

It is with pleasure that I share the following comments and key points about the services Heath Kelly Construction provided Regymen Fitness Pensacola. Heath Kelly Construction has been an excellent partner in the area of service and construction. They are dependable and reliable. Their leadership and management skills have been an added benefit to the completion of our studio.

Heath Kelly Construction has been instrumental in the implementation of major and minor construction needs from the design phase to finished product. They have made themselves readily available to meet emergency needs also. An example would be a last minute video shoot which prompted the accelerated completion of one of our studios. They provided an professional level of response with virtually no notice. Their response have exceeded our expectations on several occasions.

I would highly recommend Health Kelly Construction to any organization. They have provided the resources and expertise to successfully meet our request on every occasion. They truly understand what it take to maintain a successful relationship with their customers. If you should desire to discuss their performance, please feel free to contact me.

Sincerely,
